9 / 32 **SAUVIGNON BLANC, CALIFORNIA 2020**

Crisp, clean, and citrusy with hints of grapefruit, green apple, & passionfruit.

9 / 22 **ROSÉ, CALIFORNIA 2024**

Light, refreshing, with notes of strawberry. Perfect for lovers of sweet wine.

WHITE BLEND, CALIFORNIA

A blend of sauvignon blanc, dry riesling, and chardonnay. Subtly sweet notes of bubblegum and apricot.

REDS

11 / 36 **CABERNET, CALIFORNIA 2021**

Aged in brand new French oak, our Cabernet features notes of vanilla, cherry, cedar, and strawberry. Perfect for the cold of winter.

11 / 42 **TEMPRANILLO, CALIFORNIA 2023**

This vintage of Tempranillo landed for us to release it on its own. In the past we had always blended it into other varietals, but this one could stand on its own. Hints of tobacco, plum, cherry, fig, and leather.

9 **SANGRIA**

Red wine based; hints of dark berries, apples, & spiced black tea.

MALBEC, CHILE 2020

Hue does not believe flavor as this vintage stands to be quite possibly our richest yet. Noticeably less acidic, the familiar fragrance of bell peppers preludes the smooth and smoky flavors of Chilean soil with notes of brown sugar, honeycomb, sandalwood, & cocoa.

10 / 40

CABERNET FRANC, CHILE 2023

From the Chilean vineyards in Curico, this Cabernet Franc has qualities of its cousin grape (Cabernet Sauvignon), but with more earthy elements. Notes of plum, cherry, bell pepper, tomato leaf, ground pepper.

RESERVES

20 / 76 **CABERNET RESERVE, CALIFORNIA 2023**

We are excited to finally have a Cab reserve back! This was made with the finest grapes that money can buy. Koch Ranch Cab has always been our favorite. This wine is the definition of smooth. Notes of raspberry, vanilla, dill, peppercorn, and eucalyptus.
